

A. Owner of properties requiring many repairs:

B. "My houses have been a nightmare for me and your team took them and tackled them like pros."

C.

December 2009:

Hello Ritan Property Group!

I think you have a great system and I am honored to be a small part of it. My houses have been a nightmare for me and your team took them and tackled them like pros. If you can get my houses up to par and rented you can get anyone's done. THANK YOU for allowing us to work together and we look forward to a positive and profitable 2010.

Chris Allen
