To Whom It May Concern:

I am the owner of Wyndham Park Circle and I wanted to thank you for the efficient and professional job you have done managing my rental property over the last three years.

The most recent re-lease was as seamless and easy as always, although I'm sure you went above and beyond behind the scenes to make it so easy for me!

I recently spoke to a colleague that was disgruntled with his property management company and was able to share with him the outstanding customer service and support which I've received from you over the years. I gave him a very strong recommendation to switch to your company and I hope you'll be hearing from him (Dave Jones) soon.

Thank you again for all the hard work!
